Sir:

RENEWED PETITION UNDER 37 CFR §1.137(b)

This is a Request for Reconsideration of the Decision
on Petition issued May 18, 2005 in the above-referenced
patent application.

Applicant filed a Petition under 35 CFR §1.137(b) on
July 5, 2004 to revive this application which became
abandoned for failure to timely reply to the final Office

Action mailed August 13, 2003. This Petition was accompanied by:

- (1) An Amendment under 37 CFR §1.116;
- (2) The Petition fee;
- (3) A Statement that the entire delay in filing the required reply from the due date for the reply until the filing of this Petition was unintentional.

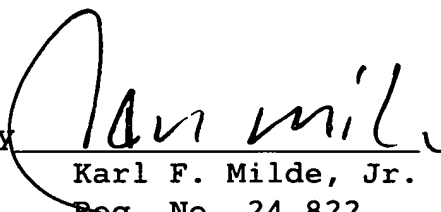

The Examiner has discovered that applicant's Amendment failed to place the application in condition for allowance.

Submitted herewith is a Request for Continuing Examination of this application, together with the requisite filing fee therefore in compliance with 37 CFR §1.114.

It is respectfully requested that applicant's Petition to Revive this application now be granted, and that this application be returned to the jurisdiction of the Examiner for continued examination.

Respectfully submitted,

By
